Re: Wireline Competition Bureau Petitions, CC Docket No. 95-185 and CCB/CPD 98-2, DA No. 98-906.

Dear Ms. Dortch:

Due to the intervening developments, AT&T requests that the following filings be withdrawn from consideration by the Commission:

1. AT&T and Teleport Reconsideration Petitions filed on June 5, 1995 seeking reconsideration of the Commission's USPP Waiver Order, CC Docket No. 95-185, released on May 4, 1995.
2. AT&T Petition for Clarification, File No. CCB/CPD 98-2, DA No. 98-906, seeking the Commission to clarify one aspect of the Memorandum Opinion and Order released May 19, 1998 where the Commission granted the petition for declaratory ruling filed by Sprint Corporation concerning responsibility for presubscribed interexchange carrier charges ("PICCs") when an interexchange carrier discontinues service to a customer.

If you have any questions regarding the above matter, please call me on (202) 457-3815.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick H. Merrick".
